

Summer Wind

Barry Manilow

The summer wind came blowin' in from across the sea
It lingered there to touch your hair and walk with me
All summer long, we sang a song and strolled the golden sand
Two sweethearts and the summer wind Like painted kites, the days and nights went flyin' by
The world was new, beneath a blue umbrella sky
Then softer than a piper man, one day it called to you
And I lost you to the summer wind The autumn wind and the winter winds have come and gone
And still the days, the lonely days go on and on
And guess who sighs his lullabies through nights that never end
Well, my fickle friend, the summer wind That old summer wind
Talkin' 'bout the summer wind
The summer wind
