

40 Mill

Tyga

I don't wanna be famous
I just wanna be rich
40 mill with some acres
Makeup for my bitch
I don't fuck with these niggas
Stop pretending and shit
I don't wanna be famous
I just wanna be rich
I don't wanna be famous Fuck around, be a Lennon and a fan leave you brainless
All in the paper, gettin' buried by a neighbor
While all of your relatives spendin' all the money that you gave 'em
Fuck it, don't save 'em
Let that boy drown if he don't float, guess he wasn't made for it
My nigga hold it, hold it down, listenin' to underground
Poppin' knuckles 'cause these niggas wanna bring me down
Put your face in the dirt like 4th down
Niggas wanna test, but we will never fail
I'm layin' low in my day clothes
Can't get a fuckin' mail por the loco without takin' photos
Man, these lo crazy niggas (loco) I don't wanna be famous
I just wanna be rich
40 Mill with some acres
Makeup for my bitch
I don't fuck with these niggas
Stop pretending and shit
I don't wanna be famous
I just wanna be rich
I don't wanna be famous Flip a finger, middle finger, let 'em know that I'm dangerous
All my niggas bangers
Chevy riding swingers
And my bitch'll fight ya, Hilary Swank ya
Take your bitch, we ain't even swingers
Nigga, try your luck, think it's all entertainment
You all in arraignment, snitchin' to the plaintiff
Who, what, where? My niggas stay nameless (My niggas stay nameless) Mack out your dog
For that dough
My niggas they go
When I say go
These bitches fuckin'

'Cause they hoes
They hoes
For that motherfuckin' fame I don't wanna be famous
I just wanna be rich
40 Mill with some acres
Makeup for my bitch
I don't fuck with these niggas
Stop pretending and shit
I don't wanna be famous
I just wanna be rich
I don't wanna be famous I just wanna be rich
40 Mill with some acres
Makeup for my bitch
I don't fuck with these niggas
Stop pretending and shit
I don't wanna be famous
I just wanna be rich We don't fuck with you, we don't fuck with you
We don't fuck with you
I don't need to proof
We don't fuck with you, we don't fuck with you
We don't fuck with you
Nigga, that's the proof
Niggas talkin', that's bulletproof (that's bulletproof)
Run and shoot
Niggas talkin' like they bulletproof
My niggas, they run and shoot
