Lovers Paradise

The Coral

Oh, come with me
To a lover's paradise
Where all the stars shine bright
Oh, won't you come with me?Oh, come with me
Your carriage, it waits my dear
A million miles and we'll be near
Oh, won't you come with me?Oh, come with me
To where the button bows, the fancy ties
Something is special in your eyes
Oh, won't you come with me?In the winter or the summer time, or fall
We'll have a bore
Just call and fly to a lover's paradise
Call and fly to a lover's paradise
