Every Time

Candice Alley

Whenever I call you're always there Whenever I'm hurting you ease the pain

Never disappoinnted, never ever let down

Never too busy whenever I'm hurting To take the time out to stop the pain Never too hurried Whenever I'm worried that's the reason I'll make it known

> [CHORUS:] Everytime I run to you Everytime I come to you Everytime I call you You're right there Everytime I reach for you Anytime I ever needed you Everytime I call you You're right there

It's not uncommon at the beginning For love to be at your beck and call It's been some time now and you haven't slowed down That's the reason I'll make it known

[CHORUS]

It's not on purpose the wrong I've done It's just that my weaknesses caused me to run But the fear of failure loses it's scare In the calm of knowing you're always there

[CHORUS]
