

# Trust Me

## Dom Pachino

[Brooke (Urban Mystic):]Love is a funny thing (oh yes it is)

It can live through what people say

The only thing I ask (what you ask?)

Is that you have some respect (I got it babe)

[Both:]And please dont take

My love away

[Urban:] yea

[Brooke:] oooh

[Urban:] oooh

[Brooke:] yea

[Brooke (Urban):]You can trust me (trust me)

I can trust you

Baby I trust you

Baby we could fly away

oh whoa

Nothing matters cuz nothings better

Baby I will always stay

[Brooke:]I cant believe that we're back to here

Must of been about a whole year

Suffering losing all my sleep

Cuz I didnt have you here

[Urban:]I replay it a hundred times

Without you home it anit right

I know I prayed almost everyday

Lord give me back my life yea

[Brooke:]I used to be scared of losing you

Would you be scared to lose me too?

No we never need to worry

Finally the truth will set us free

Now you know I never want to leave

You can be you and I can be me

You can trust me

I can trust you

Baby I trust you

Baby we could fly away

oh whoa

Nothing matters cuz nothings better

Baby I will always stay

I cant beleive that I'm not alone  
To have you backs like having a home  
Cuz I remember what you said to me  
    I ride for you you ride for me  
    We can be whatever you like  
    Best friends your by my side  
    Whatever you want is fine  
    All I want is you in my life  
I used to be scared of losing you  
Would you be scared to lose me too?  
    No we never need to worry  
    Finally the truth will set us free  
Now you know I never want to leave  
    You can be you and I can be me  
    You can trust me  
    I can trust you  
    Baby I trust you  
    Baby we could fly away  
        oh whoa  
Nothing matters cuz nothings better  
    Baby I will always stay  
    Trust me  
    I can trust you  
    Baby we could fly away  
        Trust me  
        Trust you  
    Baby we could fly away  
I used to be scared of losing you  
Would you be scared to lose me too?  
    No we never need to worry  
    Finally the truth will set us free  
Now you know I never want to leave  
    You can be you and I can be me
