

# Goodnight Lovers

## Depeche Mode

(Shh)

Here, somewhere in the heart of me  
There is still a part of me  
That cares And I'll, I'll still take the best you've got  
Even though I'm sure it's not  
The best for me When you're born a lover  
You're born to suffer  
Like all soul sisters and soul brothers I, I can see the danger signs  
They only help to underline  
Your beauty I'm not looking for an easy ride  
True happiness cannot be tried  
So easily When you're born a lover  
You're born to suffer  
Like all soul sisters and soul brothers  
Like all soul sisters and soul brothers You can take your time  
I'll be waitin' in line  
You don't even have to give me the time of day When you're born a lover  
You're born to suffer  
Like all soul sisters and soul brothers  
(Shh)
