

5 on It

Khleo Thomas

Kinda broke this evening yall
So all I got is 5
I got 5...Khleo
You know I had to do itBaby girl the baddest, been seen er
It's something bout her aura like her name Rita
Got ass like her mama and her aunties
And she down to ride like Bonnie
Bonnie & Clyde, open wide
Why not? Make it rain for them thunder thighs
Strip search, can I pat it?
Let me put this 5 on it, let me grab it
I'm a G, a mack, whatever you wanna call it
Either way, yo girl, she in here bout to pop it
Why you tryna cuff er? She ain't even break a crime
Let that girl loose, let her do it for the ride
Go on throw it like you mean it, watch a nigga keep it
Run into the endzone in the Sektor del Rivas
Look at all that shit yes, look at all that cleavage
Got her Butt where my head be like Beavis
Hands on yo knees, rotation
The way she make it clap, standing ovation
Do it like you do it when there's no one home
Do it like you do when you got nothing on
Pi-pi-pi-pick it up and put it down on it
Shawty ass fat, put a crown on it
Up and down the pole, the way she grind on it
Bands on that ass, I got 5 on itGot her hands on her knees, ready set bounce
Bands on me, in a large amount
Tryna blow it like a candle on yo birthday
You tired of these lames cus they all thirsty
You got yo friend in here wit you
A cup of liquor and she tryna kiss you
Got molly all in yo system
Tryna knock em with this wood like I'm superstitious
With the quickness
All my niggas pull dimes
Got her heels on and we call her high 5's
We don't need much, just a bottle of Ciroc
Supper club, fireworks and they comin from the top

Slick Rhythm Gang, yea you know it when you see it
Girlfriend send the X in those but I ain't The Weeknd
Phone steady ringin, I was getting money
Never care bout a hater long as my bitches love me
That's slick livin

Hands on yo knees, rotation
The way she make it clap, standing ovation
Do it like you do it when there's no one home
Do it like you do when you got nothing on
Pi-pi-pi-pick it up and put it down on it
Shawty ass fat, put a crown on it
Up and down the pole, the way she grind on it
Bands on that ass, I got 5 on it Bands on that ass, I got 5 on it (I got 5 on it)

Hands on yo knees, rotation
The way she make it clap, standing ovation
Do it like you do it when there's no one home
Do it like you do when you got nothing on
Pi-pi-pi-pick it up and put it down on it
Shawty ass fat, put a crown on it
Up and down the pole, the way she grind on it
Bands on that ass, I got 5 on it(I got 5 on it)
