

# Words

## Pink

Take Y, take the letter  
Take it out on the alphabet  
Don't ask me why  
No more questions  
Just accept it for the way it is  
Words are just words  
They get in my way  
I can never say what I wanna say  
Who will understand it anyway?  
It's just a waste  
Take M, mmm, mmm  
It's so lovely, so delicious, it says it all  
I don't like X  
Ex-boyfriends, ex-girlfriends  
Exactly what I don't need  
Twisting my words so easily  
Words are just words  
They get in my way

See like right now  
I wanna tell you that I love you  
But I don't know how  
Put the H with the A with the TE  
Give it power, you could destroy me  
Put the L, with the O with the VE  
Give that power and  
You don't have to say anything  
Words are just words  
They get in my way  
Bla, bla, bla, bla, bla  
Words are just words  
They get in my way  
Words are just words  
They get in my way  
Take B and just let it be, B
