

# Read a Book

## Falco

Und wenn ich einen Wunsch frei htte  
Ich wnschte wrden wir verstehen  
Alle Schatten hinter uns lassen  
nur weies Licht vor uns zu sehen  
No hate, no fight hearts killing  
I wish no trouble anymore  
There's nothing more to tell about  
There's nothing left to be decided  
Just read a book  
So, read a book about love (reaching love)  
Read a book, read a book about love  
Und wenn du einen Wunsch frei httest  
Ich wnschte, wrdest du verstehen  
Nur weies Licht vor uns zu sehen  
And if we just should be together  
oh, we could feel so warm an tight  
All we need is only two of us  
to show the world that we've decided to  
read a book  
to read a book about love (reaching love) ...  
Take a look about yesterday  
I guess you know  
that you're here to stay  
Read a book, ...  
Read a book, read a book about love (rep many times)  
Read a book, ... (rep till fade)
