Born to Be Wild

The Cult

Get your motor running Head out on the highway Looking for adventure

And whatever comes our wayYeah darling, gonna make it happen

Take the world in a love embrace

Fire all of your guns at once

And explode into spaceI like smoke and lightning

Heavy metal thunder

Racing with the wind

And the feeling that I'm under Yeah darling, gonna make it happen

Take the world in a love embrace

Fire all of your guns at once

And explode into spaceLike a true nature's child

We were born, born to be wild

We can climb so high

I never wanna dieBorn to be wild

Born to be wild, yeahGet your motor running

And head out on the highway

Looking for adventure

And whatever comes our way Yeah darling, gonna make it happen

Accept the world in a love embrace

Fire all of your guns at once

And explode into spaceLike a true nature's child

We were born, born to be wild

We can climb so high

And I never wanna dieBorn to be wild

Born to be wild
