Call My Name

Cheryl

How do you think I feel when you call my name
You got me confused by the way I changed
How do you think I feel when you call my name
My name, say my name baby

Yes I love you, say it, for the way I know weâ€™ve been apart
It's an endless circle of poison arrow to my heart

Sayinâ€™ I, I love what you do to me, need you to stay with me
I, I love you too much to let go

How do you think I feel when you call my name
You got me confused by the way I changed
How do you think I feel when you call my name
My name, say my name baby
[x2]

It's a constant thought of my baby taking up my time
It's a non-stop vision of you that's playing on my mind

Sayinâ€™ I, I love what you do to me, need you to stay with me
I, I love you too much to let go

How do you think I feel when you call my name
You got me confused by the way I changed
How do you think I feel when you call my name
My name, say my name baby
[x2]

When you call my name [x2]
Say my name baby
When you call my name [x2]
Say my name baby
