

# Al Svartr (The Oath)

## Emperor

Hark, O'Nightspirit  
Father of my dark self  
From within this realm, wherein Thou dwelleth  
By this lake of blood, from which we feed to breed  
I call silently for Thy presence, as I lay this oath  
May this night carry my will  
And may these old mountains forever remember this night  
May the forest whisper my name  
And may the storm bring these words to the end of all worlds  
May the wise moon be my witness  
As I swear on my honour  
In respect of my pride and darkness itself  
That I shall rule by the blackest wisdom  
O'Nightspirit  
I am one with thee  
I am the eternal power  
I am the Emperor
