

Lost (Almighty Club Mix)

Lasgo

I can see it clearer now the love we had is gone
we don't have a common ground a reason to hold on all the faith i had in you the stories that you told after all
that we've been thru you left me in the cold[chorus]
I don't wanna be lost tonight I wanna live my life leave me alone
gonna be my own boss tonight i'm gonna feel alright all on my own[chorus]
I don't wanna be lost tonight I wanna live my life leave me alone
gonna be my own boss tonight i'm gonna feel alright all on my own You say that your sorry now you want to
start again it's a bit too late for that you sound just like a man everything you promised me a rainbow in the sky,
you can back it up and leave, cause boy this is goodbye...Cause boy this is goodbye
..cause boy this is goodbye.[Chorus]
I don't wanna be lost tonight I wanna live my life leave me alone
gonna be my own boss tonight im gonna feel alright all on my own[Chorus]
I don't wanna be lost tonight I wanna live my life leave me alone
gonna be my own boss tonight im gonna feel alright all on my own
