Nocturne (Full Album)

Wild Nothing

You wanna know me?
What's to know?
Do I amuse you,
When the night is slow?Do your eyelids ever close?
Caught spirits in your waking woes?I know where to find you
Know where you go
And I just want to let you know
Ooh, you can have me
Ooh, you can have me all.And you're twisted
What can I say
Your days are empty
And my tongue's decayed
And we stay up, just to tempt me
One more night of your company.I know where to find you
I know where you go
And I just want to let you know
Ooh, you can have me
You can have me all.
Ooh, you can have me
You can have me all.Ooh, you can have me
You can have me all.
Ooh, you can have me
You can have me all.
Ooh, you can have me
You can have me all.
Ooh, you can have me
You can have me all.(Break)Ooh, you can have me
You can have me all.
Ooh, you can have me
You can have me all.
Ooh, you can have me
You can have me all.
Ooh, you can have me
You can have me all.
