

# Hallow's Eve

Rodney Holmes

Fall fires burning neath black twisted boughs  
Sacrifice to above  
Smoke swirling quickly towards misting clouds  
Offering of this blood  
Into the flames and without shame  
Consumed with howls and screams  
Pumpkins grin in their despair on all  
Hallows eve  
Hallows eve  
Cruel be the wind as it quells my words  
I shout out to the rain  
Incantations I've so hope you've heard  
That you live again  
From deep earth brings forth rebirth  
Witness but I shant believe  
From below a chilling glow on all  
Hallows eve  
Hallows eve  
Be spiderwebbed and glazed in frost  
She wears death beautifully  
More stunning now than in her life  
On a bed of autumn leaves  
Into her eyes and quite surprised  
I whispered don't you leave  
Sing macabre songs and we'll dance til dawn on all  
Hallows eve  
  
Hallows eve  
Saint lucifer hear me praying to thee  
On this eve of all saints  
High be the price but then nothing is free  
My soul I'll gladly trade  
Ahhh  
Hallows eve  
Ahhh  
Hallows eve  
Cold is the night in so many ways  
Luna round full and bright  
Deep be the mud on the fresh dug graves

On yours I recite  
An ancient spell I know so well  
Success is guaranteed  
I'll bring you back from where you've gone on all  
Hallows eve  
Hallows eve  
Saint lucifer hear me praying to thee  
On this eve of all saints  
High be the price but then nothing is free  
My soul I'll gladly trade  
Ahhh  
Hallows eve  
Ahhh  
Hallows eve
