

# I Let a Song Go Out of My Heart

**Duke Ellington and His Orchestra**

I let a song go out of my heart  
It was the sweetest melody  
I know I've lost Heaven  
'Cause you were the songSince you and I have drifted apart  
Life doesn't mean a thing to me  
Please come back, sweet music  
I know I was wrongAm I too late to make amends?  
You know that we were  
Meant to be more  
Than just friends, just friendsI let a song go out of my heart  
Believe me, darlin', when I say  
I won't know sweet music  
Until you return some dayAm I too late to make amends?  
You know that we were  
Meant to be more  
Than just friends, just friendsI let a song go out of my heart  
Believe me, darlin', when I say  
I won't know sweet music  
Until you return someday  
I won't know sweet music  
Until you return someday
