## Novastar

she just left me, oh  
and there's no one here that I  
want to change her for  
and I was good for her  
still she says she don't know  
who she adoreswhere did we go wrong  
was it somewhere along this trip to Miami  
where did we go wrong  
was it somewhere along this trip to Miami  
well I don't agree  
that you're better off without  
Sir Raymond not me  
'cause we were good for you  
still you say you don't know  
with whom you should bewhere did we go wrong  
was it somewhere along this trip to Miami  
where did we go wrong  
was it somewhere along this trip to Miamiwhy should I bother  
I don't need no other to be on myself  
why should I bother  
I don't need no other, no no  
so where did we go wrong  
was it somewhere along this trip to Miami  
where did we go wrong  
was it somewhere along this trip to Miami
