

# Oxtail (4-Track Demo)

## Red Red Meat

Hammer lock, a victim away  
Sandpaper tongue like a brand new thing  
Your better days are all behind you now  
Branded and burned awaySkyway down on you  
Knotted by the screen door  
Kidney stones for your black Irish  
Praying by the steam heat  
Built a ship to needle out of tune and well connected, skyway down...Cold hands, poor circulation  
Dalmatian skin, oxtail downtown lights  
Thunder port-wine sex  
I don't want jealous, greed & vainSkyway down on you  
Knotted by the screen door  
Kidney stones for your black Irish  
Praying by the steam heat  
Built a ship to needle out of tune and well connected, skyway down...
