

# I Ain't Sayin'

## Dinosaur Jr.

Run outside  
My house is burnin'  
Your house is light up  
Now I'm learnin'It's not a good sign  
Wheels are turnin'  
And they're rollin'  
Home to youLeft a few things  
I'll be back for  
It's a drag  
Still need a few moreWhen you're scratchin'  
At the back door  
And I'm rollin'  
Home to youScratch it off  
It won't stop peelin'  
But you're hooked  
You just stopped dealin'Don't need walls  
You need a ceiling  
'Cause you're floatin'  
Off againRun outside  
My house is burnin'  
I'm light up  
Now I'm learnin'It's not a good sign  
Wheels are turnin'  
Rollin' home to youLeft a few things  
I'll be back for  
It's a drag  
Still need a few moreNot a good sign  
And I'm rollin'  
Home to you
