Careful

Paramore

I settle down a twisted up frown
Disguised as a smile, well, you would have never known
I had it all, but not what I wanted
'Cause hope for me was a place uncharted and overgrownYou'd make your way in
I'd resist you just like this
You can't tell me to feel
The truth never set me free
So I did it myselfYou can't be too careful anymore
When all that is waiting for you
Won't come any closer
You've got to reach out a little more
More, more, more, moreOpen your eyes like I open mine
It's only the real world, life you will never know
Shifting your way to throw off the pain
Well, you can ignore it, but only for so longYou look like I did
You resist me just like this
You can't tell me to heal
And it hurts remembering
How it felt to shut downCan't be too careful anymore
When all that is waiting for you
Won't come any closer
You've got to reach out a little more
More, more, more, moreThe truth never set me free
The truth never set me free
The truth never set me free
So I'll do it myselfYou can't be too careful anymore
When all that is waiting for you
Won't come any closer
You've got to reach outCan't be too careful anymore
When all that is waiting for you
You won't come any closer
You've got to reach out more
More, more, more, more
