Helldorado

Aki Bergen

I hear the motor running
Burning up the road
Tail-pipes-a-draggin'
Fire in the smoke
And I say "Hell yeah!!"
I say "Hell yeah!!"
Ooh she's a monster
Take me on home
This ain't no joyride
Do you wanna go?
This ain't your Daddy's Oldsmobile, no!
I hear the beast a-coming
To get another load
Of fire and brimstone
Do you wanna go?
And I say - Hell yeah!!
I say - Hell yeah!!
Ooh it's a monster

Rolling me (on) home
This ain't no joyride
No, no oh
Do we get a driver?
You bet your ass we do!
Tonight - It's all over now
Ooh, Hell's just one mile down the road
Goodbye - it's all over now (so long)
My Helldorado's goin home
Take me to Hell
Cause I'm going there
Hot rods to Hell
Helldorado
Take me to Hell
I'm going where
The Devil's there
In Helldorado
