

Ringfinger (Nosmo V Kris B Remix)

Nine Inch Nails

Well you've got me working so hard lately
Working my hands until they bleed
If I was twice the man I could be
I'd still be half of what you need
Still you lead me and I follow
Anything you ask you know I'll do
This one act of consecration
Is what I ask of you A promise carved in stone
Deeper than the sea
Severed flesh and blood
Offer it to me Well you just leave me nailed here
Hanging like Jesus on this cross
I'm just dying for your sins
And aiding to the cause A promise carved in stone
Deeper than the sea
Severed flesh and bone
Offer it to me Wrap my eyes in bandages
Confessions I see through
I get everything I want
When I get part of you A promise carved in stone
Its deeper than the sea
Sever flesh and bone
And offer it to me A promise carved in stone
Deeper than the sea
Devils flesh and bone
Do something for me
