Sweetbox

I know that you're hiding things
Using gentle words to shelter me
Your words were like a dream
But dreams could never fool me
Not that easilyI acted so distant then
Didn't say goodbye before you left
But I was listening
You'll fight your battles far from me
Far too easily"Save your tears 'cause I'll come back"
I could hear that you whispered as you walked through that door
But still I swore to hide the pain when I turn back the pages
Shouting might have been the answer
What if I'd cried my eyes out and begged you not to depart?
But now I'm not afraid to say what's in my heartThough a thousand words
Have never been spoken
They'll fly to you
Crossing over the time and distance holding you
Suspended on silver wingsAnd a thousand words
One thousand confessions
Will cradle you
Making all of the pain you feel seem far away
They'll hold you foreverThe dream isn't over yet
Though I often say I can forget
I still relive that day
You've been there with me all the way
I still hear you say"Wait for me, Ill write you letters"
I could see how you stammered with your eyes to the floor
But still I swore to hide the doubt when I turn back the pages
Anger might have been the answer
What if I'd hung my head and said that I couldn't wait?
But now I'm strong enough to know it's not too late'Cause a thousand words
Call out through the ages
They'll fly to you
Even though I can't see, I know they're reaching you
Suspended on silver wingsOh, a thousand words
One thousand embraces
Will cradle you
Making all of your weary days seem far away
They'll hold you foreverOh, a thousand words

Have never been spoken
They'll fly to you
They'll carry you home and back into my arms
Suspended on silver wings ohhhhAnd a thousand words
Call out through the ages
They'll cradle you
Turning all of the lonely years to only days
They'll hold you forever
Ohhhhhhhhhhhhhhhhhhhhhhhhh
