Down On My Knees

Ayổ

I told you before - don't you hear what I say I won't take it no more - no more makin' me stay Down on my knees - you know I'm down on my knees yeh Yes I've been down on my knees But I'm through beggin' please I won't get back on my knees. Nobody knows - what your puttin me through Nobody knows - if it's worth it for you Nobody sees - you got me down on my knees Well I've been down on my knees And I'm through beggin' please Don't put me back on my knees. You know how I always loved you Never placed myself above you, Don't let me go - if I wish that I could Don't tell me no - if I wish that you would Down on my knees - you know I'm down on my knees Well I've been down on my knees But I'm through beggin' please Don't put me back on my knees.
