Let's Don't Call It a Night

Casey James

Love the way you look in that dress
You've got me thinkin' thoughts in my head
The way your body's movin' slowly to the music only leaves me wantin' more

[Chorus]
So baby let's don't call it a night
Love the way you're holdin' me tight.
When you're next to me, there's no place I'd rather be
Everything is feeling so right
So baby let's don't call it a night

Just let that clock tick away
'Cause in the morning we can sleep in late
Right now let's spend our time on what we've got in mind
I'll get up and close the door

[Chorus]

Well baby's lets don't call it a night
I love the way you're holdin' me, holdin' me tight.
When you're next to me, there's no place I'd rather be.
Everything is feeling so right
So baby let's don't call it,
No let's don't call it a night,
No, no, no, no
