

# Back It Up

## Caro Emerald

I can't stop shakin'  
The room has a groove and the floor  
It's almost earthquakin'  
UhuhLook what we're makin'  
History out on the floor  
And it's just awakin'  
UhuhSo get that needle in the core  
Scratch that back and gimme more  
You know zactly what I came here for  
Back it up and do it againFrom the middle to the top to the end  
Ba dlu dla dlun dloday  
Ba dlu dla dlun dloday  
Back to the middle to the front to the end  
Za dlu dla dlun dloday  
Everybody ba dlun dloday  
I don't care if he's a friend  
From the front to the middle to the back to the endBack, back, back, back it up (I wanna)  
Back, back, back, back it up (I wanna)  
Back, back, back, back it up (I wanna)  
Back it up and do it again  
Back, back, back, back it up (I wanna)  
Back, back, back, back it up (I wanna)  
Back, back, back, back it up (I wanna)Gimme some of that funky  
The kind that the Duke used to play  
And make it more swingy  
HeyeyAnd then give me some hornay  
You know the bub-pu-pa bub-pu-pa-bay  
Come on, give it to me, Hmmm hmmmSlam that bass and make it sing  
Give those strings that rip 'n zing  
You know zactly what I came here for  
Back it up and do it againFrom the middle to the top to the end  
Ba dlu dla dlun dloday  
Ba dlu dla dlun dloday  
Back to the middle to the front to the end  
Za dlu dla dlun dloday  
Everybody ba dlun dloday  
I don't care if he's a friend  
From the front to the middle to the back to the endBack, back, back, back it up (I wanna)  
Back, back, back, back it up (I wanna)

Back, back, back, back it up (I wanna)  
Back it up and do it again  
Back, back, back, back it up (I wanna)  
Back, back, back, back it up (I wanna)  
Back, back, back, back it up (I wanna)Get that needle in the core  
Scratch that back and gimme more  
You know zactly what I came here for  
Back it up and do it againFrom the middle to the top to the end  
Ba dlu dla dlun dloday  
Ba dlu dla dlun dloday  
Back to the middle to the front to the end  
Za dlu dla dlun dloday  
Everybody ba dlun dloday  
I don't care if he's a friend  
From the front to the middle to the back to the endBack, back, back, back it up (I wanna)  
Back, back, back, back it up (I wanna)  
Back, back, back, back it up (I wanna)  
Back it up and do it again  
Back, back, back, back it up (I wanna)  
Back, back, back, back it up (I wanna)  
Back, back, back, back it up (I wanna)  
Back it up and do it again
