

# How Does It Feel (married Your Girl)

Kelly Price

How does it feel  
Now that you know  
You could've had me  
But you let me go  
You're on the outside  
Of your own world  
'Cause someone else married  
Married your girl.

Destiny said we were to be  
But you tested fate so  
You could run free.  
Now you watch in disbelief  
While someone else is living your life with me

Your wife, your kids, your house, your cars  
Your white picket fence around your green aced lawn  
Was written long before you were born  
You gave it away, oh what a mistake!

All along you wasted time  
Scared to settle down and make up your mind.  
But was it worth it all?  
To do your do?  
To see him walking everyday in your shoes!
