Black Wedding (ASP Remix)

Blutengel

There was a black wedding
In this strange cold night
All the people laughed
But she she wished to dieShe offers him her secrets
Gave all the love she had
And she sees herself dying
Lay naked on his bedShe'll be his victim in this special night
She'll lose her beauty she doesn't want to fight
She want's to be loved only for this moment
She could never win this lovely game of lifeHe kissed her silver body
And smell her warm red blood
But he can't listen to her
Can't hear her trembling heart
