Amy (Live In Manchester)

Ryan Adams

I don't know why I let go
I want to be your friend
Flowers grow through my window and I love you again
Oh, I love you oh
When you laid me down into your beautiful garden
Flowers in the love of my arms
It's God shining through to me I guess
It's God shining through to me I guess
I love you Amy
Do you still love me?I go to the places where we used to
I feel sad
I am out here looking for you
Sometimes I pretend
Oh, I miss you oh
When you laid me down
Into your beautiful garden
Flowers and the love in my arms
Is God playing evil tricks on me?
Is God playing evil tricks on me?
Oh I love you Amy
Do you still love me?
