

Bright Star

Jean B. Gerbier

Bright Star

You and I are among the stars, that are so bright above.
Constantly burning in my love. I want our wedding vow to
last brilliantly with splendor, for as long as you shine
down on me. This is a dedication of lifetime commitment
to our relationship. That's why I like gazing at the

Chorus

Bright star, shine down on me tonight.
Bright star, splendid light, so bright above.
Bright star, so shine down on me tonight.

Although, you will shine for as long as, my Bright
Star Jesus Christ returns on earth to make me live
Eternally, your splendid brightness gives me the taste
of making sweet loving. I know the bright star sparkles
down on you and I, when I kiss your lips. that why I
like gazing at the
