

# Bigot Sunshine

## Tonic

Big wings and small waters  
Carry me back home  
Small minds  
Stand protected under bigot sunshine  
I'm not alone  
But I'm far from home  
You can never go home again  
You can never go home again  
Main street  
Standing naked on the fourth of July  
Downstream  
All the maniacs on my face they spy  
I'm not alone  
But I'm far from home  
You can never go home again  
You can never go home again  
You can never act the way that you did back then  
I'm not alone  
But I'm far from home  
You can never go home again  
You can never go home again  
You can never act the way that you did back then  
You can never act the way that you did back then  
When you were just a little boy
