A Whole New World

Disney

I can show you the world
Shining, shimmering, splendid
Tell me, princess, now when did
You last let your heart decide?I can open your eyes
Take you wonder by wonder
Over, sideways and under
On a magic carpet rideA whole new world
A new fantastic point of view
No one to tell us no or where to go
Or say we're only dreamingA whole new world
A dazzling place I never knew
But when I'm way up here, it's crystal clear
That now I'm in a whole new world with you
Now I'm in a whole new world with youUnbelievable sights
Indescribable feeling
Soaring, tumbling, freewheeling
Through an endless diamond skyA whole new world
Don't you dare close your eyes
A hundred thousand things to see
(Hold your breath, it gets better)I'm like a shooting star
I've come so far
I can't go back
To where I used to beA whole new world
Every turn a surprise
With new horizons to pursue
Every moment red-letterI'll chase them anywhere
There's time to spare
Let me share this whole new world with youA whole new world
That's where we'll be
A thrilling chase
A wondrous place
For you and me
