Soul Asylum

Almost gave up yesterday
Almost made it to the top
Short of dying just the other day

Fell short of picking up a mopIf it's the thought that counts you can always count on me

I think about it all the time

It's going to hit me like a bolt of white lightning
Here it comes, my peace of mind'Cause I'm close, so close, so close
I'm close, so close, so closeFalling short of proving it

Just a hair from the truth Little shy of improving it

Here I come, I'm coming throughPretty soon I'm going to shed this skin I'm wearing

I've been keeping it inside

No one cares just how you got there No one cares how hard you've triedBut you're close, so close, so close

You're close, so close, so closeWell, I've known you forever

We complete each other's thoughts

Ain't like we never got in trouble

It's just we've never gotten caughtAnd if you've got a secret

It's in me you can confide

And if we ever get split up

I'll always be on your side'Cause we're close, so close, so close

We're close, so close, so close

So close, so close
