Who Likes Who

Jordan Pruitt

{I hate when people do that when you, like
Hate each other and you know she hates us
Hi Brittany, Hey Jord, Oh my gosh, hey Caitlin
I have to tell you something, What?}{I heard Conner was at the movies with Brittany
No way, who'd you hear that from?
I hear it from Brian who hear it from Kip
Who heard it from Sarah, who got it from Brittany}{Wait, so Brittany told Sarah who told Kip
Who told Brian, who told you?
Yeah, there's the bell, I'll talk to you later}Jenny called me up and said she likes Johnny
But yesterday Johnny said, Yo, I like Bonnie
Bonnie likes Jonathan who's still missing me
Even though we all know he likes TiffanyVicky called me on a three way with Cici
And she told me Anthony likes Rissi
Allie's got another thing for Jeffrey
Which really bugs me 'cause she knew that he left meWho likes who
Every day it's someone new
The halls are filled with voices whisperingWho likes who
Doesn't matter if the rumor's true
All the fun is in the mystery to meI saw Conner at the movies with Brittney
When he shoulda been there with Whitney
So tonight I'm gonna hit up Steven
And let him know, Brittney's cheatingI was on MySpace when Keegan dropped in
And he told me everybody's still talking
Stacey and Evan are together
This gossip goes on foreverWho likes who
Every day it's someone new
The halls are filled with voices whisperingWho likes who
Doesn't matter if the rumor's true
All the fun is in the mysteryHe likes you and she likes him
You can call it a game that everybody wins
Moochi likes Chachi, Sarah likes Wit
And Kip likes Lafawnduh and Jimmy likes Skip? OopsWho likes who
Doesn't matter if the rumor's true
All the fun is in the mysteryWho likes who
Every day it's someone new
The halls are filled with voices whisperingWho likes who
Doesn't matter if the rumor's true
All the fun is in the mystery
