Wash

Miroque

Oh please let it rain today
This city is so filthy, like my mind in ways
And oh where's the time, like a clean new taste
Smiling eyes before me, inches from my face
Wash my love
Wash my love
Wash my love
Sin the sale, buying just a need
Oh who planted all the devils seeds?
And what the truth and truth that lies at home
It's on the inside and I can't get it off
Wash my love
Wash my love
Wash my love

What's clean is pure, but hey I'm white on the outside, though I stray
What she don't know today might kill us both tomorrow
Bring it back someway bring it back, back, back
To the clean form, to the pure form
Wash my love
Wash my love
Wash my love
Wash my love
Wash my love
Wash my love
Wash my love
Wash my, wash my, wash my love
