Laughing In the Wind

Van Morrison

Laughing in the wind, cryin' in the rain
I've felt this way before, I'll feel this way again
And in a small cafe, just passing time away
I'm giving you the eye, no need to wonder whyAnd it's hazy, lazy waitin' for springtime
Roll along, roll along and all you gotta do is
Listen to the song, to the melody
I would do it for you, would you do it for me?And it's hazy, lazy waitin' for springtime
Come along, roll along and all you gotta do is
Listen to the song, to the melody
I would do it for you, would you do it for me?I would do it for you, would you do it for me?
I would do it for you, would you do it for me?
Do it for you, do it for me
