

# I Miss You

## Lifehouse

To see you when I wake up  
Is a gift I didnt think could be real.  
To know that you feel the same as I do  
is a three-fold, utopian dream. You do something to me that I cant explain.  
so would I be out of line if I said,  
I miss you I see your picture,  
I smell your skin on the empty pillow, next to mine.  
You have only been gone ten days,  
but already Im wasting away. I know Ill see you again  
whether far or soon.  
But I need you to know that I care.  
and, I miss You.
