Sandy

Country Teasers

I just want to set the world on fire
I don't want to start the flame in your heart
Sandy, what are you doing?
How are you living if your not dead yet?
Sandy, how is your wife?
is she still alive or has she died yet?
The building catches fire,
the people scramble out
Their clothes are all on fire,
they try to put them out
But their faces catch a light,
they try to slap it out
There's someone in the house
No one went back to let him out
I hate women, I hate men
I hate ellen, I hate Dan
The building catches fire,
The people scramble out
Their clothes are all on fire,
They try to put them out
But their faces catch a light,
They try to slap it out,
There's someone in the house,
No one went back to let him out
When the swallows come back from capistrano,
That's the day, that's the day
That you come back to me, sandy
