P.O.S.

P.O.S.

i'm sorry i couldn't live up to
so sorry i couldn't be like you
i'm sorry i couldn't become
what you are
I couldn't have tried any less
I hate becoming your regret
I kinda like what you put me through
Maybe you're not like them
Maybe they're not really your friends
Maybe you think too fucking hard
Too fucking hard...
You can't take it from me
How can you take what was never mine
i could have done so much more
i could have been so much more
Now I'm one person less than I used to be
So what am I supposed to think
So what am I supposed to think
So what am I supposed to think
So what am I supposed to think
I couldn't have tried any less
I hate becoming your regret
I kinda like what you put me through
Bitch!
Hoe!
Cunt!
Slut!
Tramp!
Liar!
Whore!
You can't take it from me
How can you take what was never mine
You can't take it from me
How can you take...what was never mine
