Hands Up

Ottawan

Hands up, baby, hands up
Gimme your heart, gimme, gimme your heart
Give it, give itHands up, baby, hands up
Gimme your heart, gimme, gimme
All your love, all your loveAngel face, I love your smile
Love your ways, I like your style
What can I do to get closer to you?Don't think twice or count to ten
Don't take advice, don't ask me when
Just come my way, simply kiss me and sayHands up, baby, hands upWith your head up in the sky
Every day you're walking by
Why don't you ever start looking at me?Stop that game, don't waste your time
For all your dreams are matchin' mine
No use to play hide and seek for a weekHands up, baby, hands upLet me be your Romeo, your wonder boy
And your super champ
Let me take you to the Milky Way
On a holiday, on a holidayFollow me
(Follow me)
Why don't you follow me?
(Why don't you follow me?)
Just come my way simply kiss me and sayHands up, baby, hands up
