

If I Fall

Tara MacLean

It seems so far to go
It took so long to get here
Now I'm saying things I swore I'd never say
And I'm afraid again I thought I had it in me
I used to be so sure
There I was stronger than ever
And here I am blaming the hurt And if I fall, I will find a way back to my hands
I'm the only one who can help me find my feet again Sweet little fighter
Sweet little scar
Sweet little fire
In my heart It seems so easy now
Everything I dreamed about when I was a child
It looks like a good thing's here
So I think I'll stay for a while And if I fall, I will find a way back to my hands
I'm the only one who can help me find my feet again You came in screaming
And never stopped to listen
To your one and only prayer
A place for you somewhere Sweet little fighter
Sweet little scar
Sweet little fire
In my heart And if I fall, I will find a way back to my hands
I'm the only one who can help me find my feet again And if I fall, I will find a way back to my hands
I'm the only one who can help me find my feet again And if I fall, I will find a way back to my hands
I'm the only one who can help me find my feet again
