I Want to Walk You Home

Fats Domino

I want to walk you home Please let me walk you home I wants to walk you home

Please let me walk you homeYou look so good to me, ooo-ooo-wee I wish I was a lucky guy

Who could walk you right on down the aisleI love the way you walk

I love to hear you talk

I love the way you walk

I love to hear you talkI'm not trying to be smart

I'm not trying to break your heart

But if I ask you for a date

Will you tell me that I'm not too late?I want to hold your hand

Please let me hold your hand

I want to hold your hand

Please let me hold your handYou look so good to me, ooo-ooo-wee

I saw you walking all alone

That's why I want to walk you homeSo let me walk you home

Please let me walk you home

I want to walk you home

Please let me walk you home

You look so good to me, ooo-ooo-weeI saw you walking all alone

That's why I want to walk you home
