

# Country Girl (Re-Recorded)

Faron Young

I met you, my country girl, you didn't have a thing  
I dressed you up, I fell in love, then I bought the ring  
I was teachin' you to love, you were learnin' fine

Then one day you learned too much and it poisoned your sweet mind  
Now you've gone and left me, you're with  
somebody new

But I wonder if you told him, I bought the clothes on you  
When you two are dancin' and you whisper soft and sweet

I wonder if you'll tell him, I bought the shoes on your feet  
Now I've lost my country girl to a city love affair

He built you up, you fell for him, you didn't treat me fair  
You think that he's a dream come true, he says he loves you so

But wait until the word gets out, I taught you all that you know  
Now you've gone and left me, you're with  
somebody new

But I wonder if you told him, I bought the clothes on you  
When you two are dancin' and you whisper soft and sweet  
I wonder if you'll tell him, I bought the shoes on your feet
