

# Dance 'Til Morning Light

## Greenrose Faire

Now we're here to sing a song and dance this one for you.  
The sky is clear with many stars and the moon is shining too.  
The woods are near, there's no-one here who has the heart to go.  
So come with me together we'll defeat the darkest hour, so...

(Hey! Hey! Hey!)  
Sing it! (Hey! Hey! Hey!)  
(Hey! Hey! Hey!)  
And we dance 'til morning light!  
(Hey! Hey! Hey!)  
Sing it! (Hey! Hey! Hey!)  
(Hey! Hey! Hey!)  
And we dance 'til morning light!

We're hiding, this forgotten place is everything we have.  
The wind is cold and everywhere I look the darkness last.  
But fear no more, the light is near, by the sound of a drum.  
So sing along, the darkest hour is just before the dawn so

(Hey! Hey! Hey!)  
Sing it! (Hey! Hey! Hey!)  
(Hey! Hey! Hey!)  
And we dance 'til morning light!  
(Hey! Hey! Hey!)  
Sing it! (Hey! Hey! Hey!)  
(Hey! Hey! Hey!)  
And we dance 'til morning light!

Now we're here to sing a song and dance this one for you.  
The sky is clear with many stars and the moon is shining too.  
The woods are near, there's no-one here who has the heart to go.  
So come with me together we'll defeat the darkest hour, so...

(Hey! Hey! Hey!)  
Sing it! (Hey! Hey! Hey!)  
(Hey! Hey! Hey!)  
And we dance 'til morning light!  
(Hey! Hey! Hey!)  
Sing it! (Hey! Hey! Hey!)  
(Hey! Hey! Hey!)

And we dance 'til morning light!

(Hey! Hey! Hey!)

Sing it! (Hey! Hey! Hey!)

(Hey! Hey! Hey!)

And we dance 'til morning light!

(Hey! Hey! Hey!)

Sing it! (Hey! Hey! Hey!)

(Hey! Hey! Hey!)

And we dance 'til morning light!

(Hey! Hey! Hey!)

Sing it! (Hey! Hey! Hey!)

(Hey! Hey! Hey!)

And we dance 'til morning light!

(Hey! Hey! Hey!)

Sing it! (Hey! Hey! Hey!)

(Hey! Hey! Hey!)

And we dance 'til morning light!

(Hey! Hey! Hey!)

Sing it! (Hey! Hey! Hey!)

(Hey! Hey! Hey!)

And we dance 'til morning light!

(Hey! Hey! Hey!)

Sing it! (Hey! Hey! Hey!)

(Hey! Hey! Hey!)

And we dance 'til morning light!

And we dance 'til morning light!
