Three Seconds

Dwarves

Three seconds is all I need
Three seconds is all I take
Three seconds of pure disaster
Two hits to blow me away
Three seconds you'll burn in hellfire
Three seconds you'll fall in love
Three seconds you won't go slowly
Three seconds is almost up
Three seconds of bumpin' clangin'
Three seconds of wasted youth
Three seconds there's no denying
This thing that's coming to you
Three seconds the pain and pleasure
Three seconds the morning light
Three seconds is simply forever
Or maybe until Saturday night Three seconds
