

# Maybe We Can Slip Away

Barbara Lynn

Love is quite a feeling  
Love is so appealing  
Come this Friday night  
Everything will be uptight  
I've got plans baby  
that's out of sight  
yeah  
Maybe we can slip away  
and take a lovers holiday  
try not to overstay but if we feel it's okay  
maybe we can slip away  
and we can love til the break of day  
I don't care what the people say  
we'll just go on our way  
Love is reassuring  
Love is long enduring  
This we can't deny  
We won't even try  
It's a rule baby for you and I  
Maybe we can slip away  
and take a lovers holiday  
try not to overstay but if do it's okay...Baby  
baby we can slip away  
take a lover lover's holiday  
but try not to overstay  
but if we do it's okay  
(baby)  
Take a lover's holiday  
(baby) Fade out
