

Goodbye, Goodnight

Jars of Clay

A flower for your vanity, a penny for your thoughts

About the world's insanity and how we've gotten lost
Strike up the band to play a song as we go waltzing by
And fake a smile as we all say goodbye
Goodbye, oh goodbye
Say a prayer for recognition, kiss the ones you love

Gather up the ammunition, sigh for all the lost
Strike up the band to play a song as we go waltzing by
And fake a smile as we all say goodbye
Goodbye, oh goodbye
Raise a glass for ignorance, drink a toast to fear
The beginning of the end has come that's why we all are here
Strike up the band and play a song and try hard not
to cry

And fake a smile as we all say goodbye
Goodbye
Goodbye, oh goodbye

Yeah, goodbye

Yeah, goodbye
