

Hey Daddy

Korn

Let me see
(Let me see)
All my life has been
(Taken)
Taken This demon
(Haunts me)
Haunts me
They're waiting
(Help me)
Help me You fuck me up, I gagged and bound
You pick me up, when I am down
I cannot live without them
I do not live without them Hey, Daddy
(Daddy)
They are taking me
(Away)
Biting Facing him
(What soul)
My soul
They're eating
Please help me You fuck me up, I gagged and bound
You pick me up, when I am down
I cannot live without them
I do not live without them They tell me this thing inside of me
Wants to get out
All it does is scream and shout
I'm trying not to let them out They tell me to hurt myself
They tell me to hurt myself
They tell me to hurt myself
But I'm not gonna listen You fuck me up, I gagged and bound
You pick me up, when I am down
I cannot live without them
I do not live without them You fuck me up, I gagged and bound
You pick me up, when I am down
I cannot live without them
I do not live without them Hey Daddy, hey Daddy
(Waiting)
Hey, Daddy
(Waiting)

Daddy
