

Love Her With a Feeling

Buddy Guy

The woman I love, man, you know she kinda
She kinda big and fat
And what I like about the woman, man
Is kinda good like thatYou gotta love her with a feeling, man
Or you better not love this woman at all
You better love her with a feeling, man
Or you better not love her at allShe said, "I love you, Buddy, you know and
There ain't no doubt
I'm gonna open up my little book and
Let you knock you goddamn fool self out"You gotta love her with a feeling
Or you better not love at all
You gotta love her with a feeling, man
Or you better not love this child at allLet me hear, let me get a little bit of that, ahOne leg in the east
One leg in the west, ah
I'm right down the middle, ah
Trying to do my bestYou gotta love her with a feeling, man
Or you better not love this woman at all
You better love her with a feeling, man
Or you better not love this child at all
