breathe deep

The Classic Crime

Looking up with a question
throwing up an honest prayer
knowing nothing is less than
what it feels like when your not thereim comforting my suffering i
step down step down
slowly listening i
quickslide into quicksand yeah
just in time to grab your hand and,
breathe deep
i breathe deepwould you be real to me so i
can be real with myself
i give you my misery now (x2)the fire's burning inside
i feel alive and i can't hide
when im with you im good to go
listen up cause i,
i need to clear out my mind
get down and lift up my favorite soul,
i give it up
i give it up
i give it up
i give it up to you
i give it up
i give it up
i give it up
i give it up to you
and i breathe deep
i breathe deepwould you be real to me so i
can be real with myself
i give you my misery now (x2)i sacrifice...
i sacrifice...but your god!
but your god!
god!would you be real to me so i
can be real with myself
i give you my misery nowwould you be real to me so i
can be real with myself!
i give you my misery
i give you my misery, now...
